

What part can I play in its implementation?

We will continue to inform parents of the school's progress with our development plan.

Parents have a vital role to play—we will continue to consult with you throughout the year.

You can keep informed of up-to-date developments using our School Website, Facebook or Twitter page.

Please contact the school if you have any queries about the content of this leaflet.

Parents as Partners in Learning

Developing Home-School Partnership

School Improvement Plan

Child Friendly Version

We are going to talk more about our learning and understand more about how teachers and pupils learn best. We will know what reflective language means?

We are going to encourage growth mindset, resilience and perseverance through our Bounce Back Programme. We want to have a "can do" attitude.

We are going to keep encouraging everyone to be involved in making decisions about learning. We will all help understand how the benchmarks can show us progress and next steps.

We want to make sure everyone feels safe and happy at our school. We want children, staff and parents to feel valued and listened to. We will link our work to our continuing RRSA journey.

What are we doing to improve our school this year? 2017-18?

We are going to make sure everyone has a voice and can take responsibility in school such as our Pupil Council, Eco, RRS, Health, JRSO and this year get Digital Leaders running for our staff and pupils.

We are going to keep using Digital Technology— our ipads, smartboards and laptops to make learning more interesting. We will continue to use our Digital passports.

We want to continue working with our local businesses such as Macphie, East Coast Viners and build two way partnerships to help promote the skills for learning, life and work.

Teachers are going to keep learning from each other to ensure the best results in our school. This year we will be looking at Emergent Literacy, Big Writing and Visible Learning approaches like the Learning Pit and Growth Mind Set.

We are going to continue to improve our French across the school with Buddy and team teaching. We will be introducing Spanish in P5-7

We want to make the school a fair place and give everyone the same start by offering a breakfast club.
