

## GLENBERVIE PRIMARY CURRICULAR LETTER

### Term 3 Primary 6/7

This curricular letter aims to share with you the key learning which your child will engage with this term.

This term P 6/7's topic will continue to be a series of short topics Exploring Europe (to support the Euroquiz) and My Body. Within the **Exploring Europe** topic we will learn about a variety of European countries. Ideal for developing their understanding of Europe, and the culturally diverse countries within it. We will study the human **body** and its different functions with our **My Body**, learning about organs and the brain.

We will be developing **Expressive Art Skills** through a **school show**, where the children will work collaboratively to bring alive all the elements of a performance. This will include singing, dancing, performing lines, the technical aspects and staging.

In Literacy, we will be focussing exploring 'The Write Stuff' to support our writing. Spelling patterns/concepts will be introduced at the beginning of the week, with a checkup on progress on a Friday. Weekly spelling **homework** will be issued through **Sumdog**. We will continue to encourage and develop fluency and expression when reading aloud, as well as develop inferencing and questioning. There will be a continued focus on handwriting and presentation of work across all jotters.

In Maths we will be learning about **Fractions, decimals and percentages** and would encourage supporting your children with these topics. We will be using a range of written and practical activities to continue to explore **2D and 3D shape**. We will continue to challenge quick recall of the four operations through speed test, activities and games. Weekly **homework** tasks will be issued through **Sumdog**.

In Digital Technology, we will be continue learning about Just2Easy and begin using this to share our learning, as well as google classroom.

**PE Days**—please come in **PE kit** and have outdoor shoes **Tuesday** and **Thursday**.

We are delighted to welcome Miss Hogg, who will be joining us in the classroom this term.

We welcome your parental involvement with practising spelling words, times tables, and supporting the children in completing homework tasks (these may be through Sumdog or through Google Classroom).

Thank you for your support, please get in touch if you have any queries.

Mrs McCormack
